Subject: **Action Plan Phase 3: Coronavirus (Covid-19)**
Date: 09/22/2020 (updated from Phase 2 plan 05/11/2020)

Action Plan posted on mvjrc.org web-site. Staff to direct others to web-site for guidance.

Family **visitation suspended**. Regular telephone and “Zoom” contact to continue.

Intern/Volunteer services **resumed** (determined by managing staff).

Only **mission critical contractors** (building services, food service, medical, law enforcement, court personnel, etc.) permitted to enter the facility. Mission critical determined by managing staff.

All individuals, including staff, entering the building will be **subject to a health screening** using the ODYS-issued form “Entry Screening Process for the Prevention of Covid-19 Transmission”. Masks are required when interacting with youths, during group sessions and in meetings.

Non-essential travel suspended.

Transition Releases suspended. Possible “one-way”, end-of-stay Transition Release if approved by committing court.

New intakes resumed 05/05/20. Transfer must occur from secure facility (14-day placement) - not from home setting to ensure low-risk transfer via administrative/medical screening.

Population limit: 16. To allow for physical distancing, medical isolation/quarantine space and staffing responsivity re: direct-care/medical/mental health staff. First Priority: Governing Board consortium males/females. Second Priority: Non-consortium females. Not accepting non-consortium males except in relation to low population/low referrals.

Alternative work schedules and **meetings** continue to be encouraged.

Continue **increased cleaning schedule.**

Symptomatic youth placed on **medical isolation or quarantine** pursuant to agency policy.
