COVID 19 ACTION PLAN

On site family visitation suspended. Zoom conferencing available.
Regular telephone calls continue.

Intern/Volunteer services resumed (determined by managing staff).

Only mission critical contractors (building services, food service, medical, law enforcement, court personnel, etc.) permitted to enter the facility. Mission critical determined by managing staff.

All individuals, including staff, entering the building will be subject to a health screening using the ODYS-issued form "Entry Screening Process for the Prevention of Covid-19 Transmission". Masks are required when interacting with youths, during group sessions and in meetings.

New intakes required quarantining for one week prior to release into general population.

Continue increased cleaning schedule.

Symptomatic youth placed on medical isolation or quarantine pursuant to agency policy.
