Greene County Domestic Relations Court Parenting Time Procedures

GENERAL PARENTING PRINCIPLES

During and after a divorce, there is often a crisis period (from several months to years) during which families are under great stress because of loss, conflict, or change. Most studies show, and psychologists uniformly agree, that the children who do best following divorce are from those families that maintain a low level of conflict. The absence of conflict is more critical than the amount of time either parent spends with the child. Although spouses may terminate their marital relationship, parents should never terminate their relationship with their children.

No specific parenting schedule will satisfy the needs of all children and all parents over the years. Critical to the success of any schedule is that each parent remain flexible, based upon the changing needs of children as the children grow older. The Court recognizes that each situation and each child is different. It is preferred that parents tailor the parenting schedule to meet the specific needs of their children. Consistency in the scheduled time is also helpful for both parents and for children of all ages.

Parents are the best judge of what meets the needs of their children. Although a child's wishes and concerns may be considered in determining parenting schedules, they are not the controlling factor. If a child indicates a strong opposition to being with the other parent, it is the responsibility of both parents to support and encourage parenting time. Both parents must deal appropriately with the situation by calmly discussing with the child his/her reasons. The parents must work together to alleviate the misgivings without confrontation or argument. If they cannot resolve the problem, the parents should seek the assistance of a counselor or other professional. It is the absolute duty of each parent to foster an environment which avoids such problems and to make certain that the children have a healthy ongoing relationship with both parents.

PROCEDURES

- 1. Parenting Time Exchanges:** The receiving parent has responsibility for transportation of the children for their parenting time and may use another adult well-known to the children for picking up or dropping off the children when necessary. Any person transporting the children may not be under the influence of alcohol or drugs, and must be a licensed, insured driver. All child restraint and seat-belt laws must be observed by the driver. Car seats should be exchanged when required.
- 2. Make-up Non-Residential Parenting Time:** Make-up days shall be given if an emergency prevents scheduled parenting time. All make-up parenting time shall be rescheduled and exercised within sixty (60) days.
- 3. Canceling or Choosing NOT to Exercise Parenting Time:** Each parent must give notice of his/her intent not to have parenting time, at least 24 hours in advance, unless a last minute emergency occurs. A parent who does not exercise a specific parenting time forfeits that specific time.

4. **Tardiness:** If the non-residential parent is more than thirty (30) minutes late without prior notification, that parenting time period shall be forfeited.
5. **Scheduling:** Parenting time arrangements are to be made solely between the parents and **NOT** through the child.
6. **School Work:** Parents shall provide time for children to study and complete homework assignments, even if the completion of work interferes with the parent's plans for the children. The residential parent is responsible for providing the non-residential parent all of the school assignments and books. Summer school which is necessary for a child must be attended, regardless of which parent has the child during the summer school period.
7. **Extracurricular Activities:** Regardless of where the children are living, their continued participation in extracurricular activities, school related or otherwise, should not be interrupted. It shall be the responsibility of the parent with whom the children are residing at the time to discuss the scheduling of such activities with the children and to provide transportation to the activities. Each parent shall provide the other parent with notice of enrolled extracurricular activities, address, and telephone number of the activity leader, if available.
8. **Order of Priority:** In the event parenting time allotted to the parents falls on the same day(s), the following is the order of priority of parenting time: (1) Summer Break*+; (2) Holidays; (3) Spring Break/Winter Break; (4) Mid-week & Weekend Parenting Time.

For example, Easter (Father's holiday) falls during the children's Spring Break (Mother's holiday). Father's Easter parenting time would take priority over Mother's Spring Break parenting time.

* For purposes of interpreting the holiday schedule, summer break begins June 1st and ends August 31st each year.

+ Exceptions to the Order of Priority are Father's Day and the minor child(ren)'s birthday(s), which are holidays or days of special significance that take precedent over Summer Break.

9. **Contact:** Each parent may have reasonable telephone and email contact with the children.
10. **Promptness:** Parents are expected to be prompt for all parenting time exchanges. If a parent is going to be late, he/she must contact the other parent and give a reasonable estimated arrival time. Chronic lateness may be a reason to modify the schedule. The children should be ready to leave with the parent at the scheduled time.
11. **Conduct:** A parenting time exchange is not the time for parents to air their grievances with the other parent. It is important for the children that the exchanges take place without any conflict between their parents.

Greene County Domestic Relations Court
Mandatory Standard Notice Regarding Support, Medical Insurance, and Parental Access.

The duty of support imposed to this order shall continue beyond the child's eighteenth birthday only if the child continuously attends a recognized and accredited high school on a full-time basis on and after the child's eighteenth birthday. The order shall not remain in effect after the child reaches age nineteen, unless the child is determined to be mentally or physically disabled and is incapable of supporting or maintaining himself or herself, or the child's parents have agreed to continue support beyond the child's eighteenth birthday pursuant to a separation agreement that was incorporated into a decree of divorce or dissolution. The obligor shall continue to pay support under the order, including during seasonal vacation periods, until the order terminates.

All notices to the CSEA as required by this order shall be sent to the Greene County CSEA, 541 Ledbetter Road; Xenia, OH 45385, (937)562-6200 or toll free in Ohio at 1-800-337-1740, fax- (937)562-6285.

Payments are to be paid to **Ohio Child Support Payment Central, P.O. Box 182372, Columbus, OH 43218**. The Child Support Obligor shall make payments by certified check, money order, personal check, or traveler's check until the payments are withheld by an income withholding or deduction notice. Include the **case number** and **Court order number (SETS#)** on all payments. Payments may also be paid online at www.jfs.ohio.gov/ocs or www.e-quickpay.com.

Pursuant to ORC section 3121.27, all support under this order shall be withheld or deducted from the income or assets of the Child Support Obligor pursuant to a withholding or deduction notice or appropriate order issued in accordance with ORC Chapters 3119, 3121, 3123, and 3125 or a withdrawal directive issued pursuant to ORC sections 3123.24 to 3123.38 and shall be forwarded to the Child Support Oblige in accordance with ORC Chapters 3119, 3121, 3123, and 3125.

The specific withholding or deduction requirements to be used to collect the support shall be set forth and determined by reference to the notices that are sent out by the CSEA in accordance with ORC section 3121.03 and shall be determined without the need for any amendment to the support order. Those notices, plus the notices provided by the CSEA that require the Child Support Obligor to notify the CSEA of any change in his/her employment status or of any other change in the status of his/her assets, are final and are enforceable by the court. Each withholding notice shall be for the current child support, current cash medical support, any arrearage payment required under the administrative order, and processing charges.

Pursuant to ORC section 3121.28, the Child Support Obligor and Child Support Oblige are hereby notified that, regardless of the frequency or amount of the support payments to be made under the order, the CSEA shall administer the support order on a monthly basis, in accordance with ORC sections 3121.51 to 3121.54. For the purpose of monthly administration of support payments that are to be made other than on a monthly basis, the CSEA will calculate the monthly amount in the following manner:

- (1) If the support is to be paid weekly, the CSEA will multiply the weekly amount of support due under the support order by fifty-two and divide the resulting amount by twelve.
- (2) If the support is to be paid biweekly, the CSEA will multiply the biweekly amount of support due under the support order by twenty-six and divide the resulting amount by twelve.
- (3) If the support is to be paid periodically but not weekly, biweekly or monthly, the CSEA will multiply the periodic amount of support due by an appropriate number to obtain the annual amount of support due under the support order and divide the annual amount of support by twelve.

If payments are to be made other than on a monthly basis, the required monthly administration of the support order shall not affect the frequency or the amount of the support payments to be made under the support order.

Pursuant to ORC section 3121.45, any payment of money by the Child Support Obligor to the Child Support Oblige that is not made through Ohio Child Support Payment Central or the CSEA administering the support order shall not be considered a payment of support under the support order and, unless the payment is made to discharge an obligation other than support, shall be deemed to be a gift.

EACH PARTY TO THIS SUPPORT ORDER MUST NOTIFY THE CHILD SUPPORT ENFORCEMENT AGENCY IN WRITING OF HIS/HER CURRENT MAILING ADDRESS, CURRENT RESIDENCE ADDRESS, CURRENT PHONE NUMBER, CURRENT DRIVER'S LICENSE NUMBER AND OF ANY CHANGES IN THAT INFORMATION. EACH PARTY MUST NOTIFY THE AGENCY OF ALL CHANGES UNTIL FURTHER NOTICE FROM THE COURT OR AGENCY, WHICHEVER ISSUED THE SUPPORT ORDER.

IF YOU ARE THE OBLIGOR UNDER A CHILD SUPPORT ORDER AND YOU FAIL TO MAKE THE REQUIRED NOTIFICATIONS, YOU MAY BE FINED UP TO \$50 FOR A FIRST OFFENSE, \$100 FOR A SECOND OFFENSE AND \$500 FOR EACH SUBSEQUENT OFFENSE. Within 30 days of the date of this support order, the Health Insurance Obligor must provide to the other party information regarding the benefits, limitations, and exclusions of the coverage, copies of any insurance forms necessary to receive reimbursement, payment or other benefits under the coverage and a copy of any necessary insurance cards.

If you are a residential parent, or if you participate in a shared parenting plan, and intend to move, you **MUST** file a "Notice of Intent to Relocate" at least 30 days prior to a move within Greene County and 60 days prior to a move out of Greene County. Any party receiving such a notice may request that a hearing be conducted to readjust the allocation of parental rights and responsibilities. A residential parent shall not remove the children from the state of Ohio for the purpose of establishing residency for them in another state without either (1) a court order approving such change and establishing a parenting schedule or (2) an agreement signed by the parties.
