

“Why Try” transforms students from unmotivated to engaged, failing to graduates, and from hopeless to resilient.

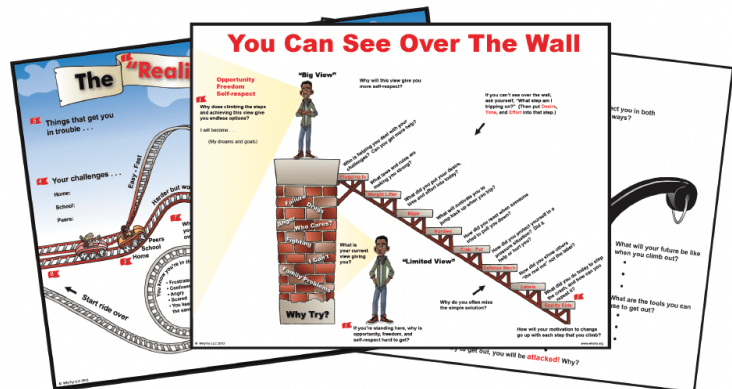

The WhyTry Program – Helping Students Answer the Question “Why Try?”

WhyTry is flexible and provides simple, hands-on strategies and resources to help motivate the unmotivated student, support students with trauma, improve engagement, and increase academic success.

WhyTry is a series of ten visual analogies that teach essential life skills like:

- **Improved decision making**
- **Dealing with peer pressure**
- **Impulse Control**
- **Obeying laws and rules**
- **Valuing hard work**
- **Plugging in to support systems**
- **Having a future vision**

The materials are reinforced through the creative use of music, hands-on activities, and multimedia. WhyTry engages youth through visual, auditory, and body-kinesthetic styles of learning.
